## **Cancellation**

You can cancel your order until delivery has commenced, by e-mailing us at [info@signomatic.co.nz](mailto:info@signomatic.co.nz). Once the delivery has been dispatched, you can no longer cancel your delivery.

## **Right of withdrawal and satisfied customer warranty**

Under the Act (2005:59) on Distance Contracts and Agreements Outside Business Premises, the right of withdrawal does not apply

when the supply of goods is made to the consumer's specifications or are clearly personalised. Once your order has been sent from us, we therefore reject the right of withdrawal as all of our products are produced individually according to the customer's specifications and requirements.

Even though we have waived the right of withdrawal, it is always our intention to make you feel confident in shopping with SignMax. Therefore, if you are not satisfied with your product, we apply our "satisfied customer warranty", which applies to our entire range of products. Our "satisfied customer warranty" means that you can contact us if you are not satisfied with the product you ordered. In the first instance, we correct the issue you are not satisfied with and send you a new product. Should that not resolve the matter, we will instead make a full refund/credit.

If you wish to take advantage of our "satisfied customer warranty", please contact us as soon as possible via our contact details above. We need your order number and a description of the complaint.

Our "satisfied customer warranty" is valid for 30 days after the item has been delivered to you. In other words, you must notify us of the matter you are unsatisfied with within 30 days of receiving your product.

Please note that our "satisfied customer warranty" applies in addition to your legal rights. It does not affect your legal rights in any way.

## **Complaints**

Complaints will be accepted for manufacturing defects/errors and damage during transport.

If, for any reason, you need to make a complaint about a product, please contact our customer service by e-mail at the following address: [info@signomatic.co.nz](mailto:info@signomatic.co.nz). You can also contact us using our other contact details as shown above. We need your order number, a description of the error, and preferably a photo of the faulty product. We may ask that you return the faulty product so we can inspect it. If we find a manufacturing defect/error or damage caused during transport, we will accept the complaint. If the complaint is accepted, the customer is reimbursed for any costs for the return of the product. Please note that a complaint must always be made within a reasonable period of time (two (2) months are always considered reasonable time) and no later than three (3) years after receipt of the item. If a complaint is approved, we will compensate you in accordance with the Consumer Contracts Act (1990:932) by repairing the existing product, replacing it with a new equivalent product, giving you a price reduction or by refunding your payment for the product (including shipping and return costs).

We will refund the customer within business 10 days from the date on which the agreement has been correctly terminated. The refund is completed by using the same payment method you used when completing the purchase. If we ask that the product is returned for inspection, a full refund will be made provided that the item is delivered to us in substantially the same condition as it was when the item was delivered to you. If a returned product has been used or handled to a greater extent than necessary for determining its characteristics and function, SignMax is entitled to make a deduction for the depreciation of the item which may be up to the full price of the product.

## **Dispute**

It is always our ambition to solve any problems together with our customers. If you have a problem with a product you have purchased from SignMax and if you have not been able to resolve the dispute with us, please refer to local regulations.

## **Severability clause**

In the event that parts of these terms and conditions are declared void or ruled by a court or regulatory authority to be ineffective, this shall not affect the validity of the remaining terms and conditions.

## **Force Majeure**

Under these terms and conditions, SignMax is exempt from liability for damages or delays on the performance of a contract, hindered or delayed due to circumstances beyond our control. Examples of such release factors are floods, fires, labor disturbance, prohibitions, restrictions, sabotage, poor transport and weather conditions and war.
